

Certificate of Approval

This is to certify that the Management System of:

OpTek Limited

Unit 1, Wyndyke Furlong, Abingdon, OX14 1DZ, United Kingdom

has been approved by LRQA to the following standards:

ISO 14001:2015

Approval number(s): ISO 14001 – 00041152

The scope of this approval is applicable to:

The design, development, manufacture, sale and support of machines, systems and sub-systems for processing of inspection, including those requiring laser and optics. The completion of trial and reports for customers, including those requiring physical tests, trials and/or samples. Subcontract laser machining, including fibre processing services, and the development of new processes to support customer specific production requirements.

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)
